

Our premium hardwood floors are beautifully preserved and reveal all of the trees' natural perfections, including original markings, distinctive graining, and inherent characteristics to bring a stunning piece of nature inside; whether in a modern or rustic, casual or formal interior design. Hand crafted in the USA.

The HomerWood Advantage

- **Traditional Character™** - Smooth. Reflects the greatest attributes of natural wood.
- **Amish Hand-Scraped®** - Unique Scrape. Hand-crafted by local Pennsylvania Amish.
- **Smoked Specialties™** – Charred. Wire brushed. Texture Rich.
- **NEW Reclaimed Oak**- Sustainable. Authentic Design. A piece of history for your home. 1-12' lengths. Oil Finish. 2.5" to 8.5" planks.
- **NEW Oil Finish** – Enhance the natural grain. No residue. Repairable.
- **NEW Herringbone** - Add beautiful texture and depth to your floor
Standard width x length: 3"x21", 4"x24", 5"x30", 6"x36"
- **NEW 50 Year Residential Finish Warranty, 3 Year Commercial Finish Warranty** - Revolutionary *cross polymer technology*, gives twice the tabor test results as traditional aluminum oxide finishes
- **NEW FSC Certified Flooring**- Forest Stewardship Council chain of custody certification. The mark of responsible forestry.
