

**COMMITMENT POLICY**  
**SFI® CHAIN OF CUSTODY**

Revised in 2024.  
Adopted on July 22, 2021

Goodfellow is committed to providing customers with responsibly sourced wood products. As such, Goodfellow has adopted and implemented appropriate resources to meet the **SFI® Chain of Custody** standards.

By applying this internationally recognized standard, Goodfellow commits to avoiding the procurement of forest products from controversial sources as defined in the *SFI 2022 chain-of-custody standard section 4, part 7*, and certifies, to the best of its ability, its forest products do not come from controversial sources.
