## **Earth Tone Ecological Treated Wood**

### **LIFETIME RESIDENTIAL LIMITED WARRANTY**

#### **WHAT IS COVERED**

The Goodfellow Terra® Pressure Treated Wood Lifetime Residential Limited Warranty (“Limited Warranty”) is for wood product pressure treated with MicroPro brand micronized copper azole compounds sold or labeled as Goodfellow Terra brand wood product or as covered by this Limited Warranty (“Goodfellow Terra brand wood product”). Timber Specialties Limited will provide original consumer purchasers or “first-owners” of Goodfellow Terra brand wood product that “structurally fails” either, in Timber Specialties’ sole discretion, replacement Goodfellow Terra brand wood product for the Goodfellow Terra brand wood product that “structurally fails” or a refund of the monetary equivalent of the Goodfellow Terra brand wood product that “structurally fails” up to the original purchase price.

This Limited Warranty is not transferable from an original consumer purchaser or “first-owner” to any subsequent consumer or owner, tenant, or successor of the real property on which Goodfellow Terra brand wood product is installed.

“First-owners” means:

- the owner-of-record of the real property on which Goodfellow Terra brand wood product was installed at the time the Goodfellow Terra brand wood product was installed; or,
- if Goodfellow Terra brand wood product was installed by a builder-contractor-owner in connection with new construction on real property owned by such builder-contractor-owner, the first owner-of-record that acquires such real property from the builder-contractor-owner.

“Structurally fails” means the inability of Goodfellow Terra brand wood product to perform its intended function due to fungal decay or termite attack. “Fungal decay” means attack by wood destroying fungi that disintegrate the wood cell walls, but excludes surface mold, mildew, and/or fungi associated with the appearance or “weathering” of wood. “Weathering” of wood is not fungal decay of any type.

## TO IDENTIFY A GOODFELLOW TERRA BRAND WOOD PRODUCT, LOOK FOR THE END TAG

It's easy to identify Goodfellow Terra brand wood product. Simply look for the MicroPro® Micronized Copper Azole end tag on each piece of Goodfellow Terra brand wood product. Make sure you receive and retain original end tag(s) for each piece of Goodfellow Terra brand wood product, as well as the original purchase receipt(s) from your lumber dealer or contractor/ builder. In the event of a claim, it will be necessary to present this documentation for all Goodfellow Terra brand wood product that is claimed to have structurally failed.

## WARRANTY CONDITIONS

This Limited Warranty applies only if each of the following conditions are met

- Goodfellow Terra brand wood product must be used only in residential applications and as specified on the end tag attached to the Goodfellow Terra brand wood product.
- Specifically, “Above Ground” Goodfellow Terra brand wood product must be used only in “Above Ground” applications. (“Above Ground” applications are above ground uses of Goodfellow Terra brand wood product where the Goodfellow Terra brand wood product is NOT in contact with soil, placed on or over soil using a synthetic barrier or plastic material, subject to frequent wetting or continually exposed to heavy vegetation, mulch products, fill dirt, or other conditions that could simulate a ground contact exposure.)

“Ground Contact” Goodfellow Terra brand wood product can be used in either “Above Ground” or “Ground Contact” applications. “Ground Contact” applications are uses where Goodfellow Terra brand wood product is used:

- in contact with the ground, fresh water, or other situations favourable to deterioration;
- above ground but may end up in ground contact or is subject to hazards comparable to ground contact due to climate, artificial or natural processes or construction.

Examples of “Ground Contact” use applications include fence posts, deck posts, railing posts, and timbers.

- Goodfellow Terra brand wood products must be treated with MicroPro brand micronized copper azole compounds by a licensed treating facility in accordance with the Timber Specialties MicroPro Standard.
- Goodfellow Terra brand wood product must be used in accordance with municipal, provincial and federal building codes.
- For the warranty to be valid for pressure treated timbers and for pressure treated wood used in ground contact applications, a brush-on copper naphthenate end-cut wood preservative is required at the time of construction on all saw cuts, drill holes and other field cuts. Two applications of a copper naphthenate end-cut wood preservative must be applied to cuts in the treated wood before it is installed.
- For the warranty to be valid for pressure treated wood used in above ground applications, such as deck boards, railing, post tops or fence boards, a brush on end-cut wood preservative must be applied to all saw cuts, drill holes and other field cuts at the time of construction.
- Proof of purchase is required that the copper naphthenate end-cut wood preservative and the above ground end-cut wood preservative were purchased before the completion of the project.
